

EQUIPMENT INDIVIDUAL SELLECTION

Fixture/Grip	Required	Quantity/Notes	
Lighting			
Daylight fixtures			
2x Nanlux Evoke 1200 - equivalent to HMI 1.8 Par or 2.5kw Fresnel - daylight only, weatherproof	<input type="checkbox"/>		
2x Fresnel adapter for Evoke 1200 - 11 degree to 45 degree beam with barn doors	<input type="checkbox"/>		
26 degree reflector	<input type="checkbox"/>		
60 degree reflector	<input type="checkbox"/>		
150cm Parabolic Softbox with grid	<input type="checkbox"/>		
120cm Lantern	<input type="checkbox"/>		
10m head lead	<input type="checkbox"/>		
15m head lead	<input type="checkbox"/>		
Aputure 600 with F10 Fresnel and barn doors	<input type="checkbox"/>		
Nanlite 500D with 5-meter header cable	<input type="checkbox"/>		
Aputure C300D and fresnel and Laofas D120B Deep Parabolic Softbox	<input type="checkbox"/>		
2x Nanlite forza 60 inc Nanlite FL11 Fresnel Lens for Forza 60	<input type="checkbox"/>		
4x Nanlite Projection Attachment Mount for Forza 60 36° Lens complete with Gobo kits	<input type="checkbox"/>		
RGB panels			
3x Nanlux Dyno 650C RGW Panel with barn doors, (Essentially a Skypanel with 1.8x output)	<input type="checkbox"/>		
4ft Octa with grid	<input type="checkbox"/>		
Intensifier 20% more output	<input type="checkbox"/>		
Honeycrates 50 degree grid	<input type="checkbox"/>		
Space Light softbox	<input type="checkbox"/>		
Rain cover for panels	<input type="checkbox"/>		
Creamsource Micro Full RGB Pro kit	<input type="checkbox"/>		
Bi Colour			
2x Nanlite Forza 720 B - Bi Colour 800 watt high power LED COB	<input type="checkbox"/>		
3x Nanlite forza 60BII	<input type="checkbox"/>		
2x Nanlite projection attachment	<input type="checkbox"/>		
Parabolic Softbox 120cm with grid	<input type="checkbox"/>		
Fresnel lens - 45 degree to 10 degree spot, with barn doors for cuts	<input type="checkbox"/>		
Lantern Softbox/Gem Ball	<input type="checkbox"/>		
Full Colour Cobs RGBACL			
Nanlux Evoke 900C - RGBACL weather sealed 940w (takes all Nanlux accessories above)	<input type="checkbox"/>		
2x Prolycht Orion 675 FS - RGBACL - full colour spectrum 675w weather sealed - 5k Tungsten equivalent or 1.2 HMI	<input type="checkbox"/>		
2x Dedolight DLED7 NEO RGBACL with CRMX, mains or Vlock - compatible with Video Screens - see also on Dedolight	<input type="checkbox"/>		
35 inch Spherical Lantern (Gem ball)	<input type="checkbox"/>		
Parabolic Softbox 5ft with grid	<input type="checkbox"/>		
Fresnel lens for 675 FS	<input type="checkbox"/>		
Kinoflo RGBW LED			
Kino Flo Diva 21 Lite with grid - Bi Colour - full RGB 2x1 (Mains or battery) soft light 60 degree and 90 degree louvre -	<input type="checkbox"/>		
Kino Flo Diva 31 Lite with grid - Bi Colour - full RGB 3x1 (Mains or battery) soft light 60 degree and 90 degree louvre -	<input type="checkbox"/>		
Kino Flo Freestyle T24 with 90 louvre/grid, Bi Colour - full RGB 2x1 (Mains or battery) soft light, 4 24 inch tubes, 90	<input type="checkbox"/>		
Kino Flo T42 two 4ft tubes connected to a Freestyle 21, with Snapgrids 40 degree - can be 50ft apart, operate as one	<input type="checkbox"/>		
DoP Choice snapgrid for 24 inch Tubes x2	<input type="checkbox"/>		
Lighting Control			
Exalux Control One - wireless DMX control with Lumen Radio remotely controls Kinoflo or other lights with CRMX, I	<input type="checkbox"/>		
Exalux CRMX Receiver with battery x3	<input type="checkbox"/>		
Moonlite TX/RX CRMX with built in battery	<input type="checkbox"/>		

Isaac more extensive Kit List

Blackout Control - wireless DMX Control multi universe - Using Exalux Control Plus	<input type="checkbox"/>	
Exalux Control Plus - allows use of Blackout multi universe includes one universe. Hardware - Needs iPad with	<input type="checkbox"/>	
DMX 6 pin cables for daisy chain 10m	<input type="checkbox"/>	
DMX cables to daisy chain fixtures	<input type="checkbox"/>	

Dedolight

2 Dedolight DLED7 NEO RGBACL with CRMX, mains or Vlock - compatible with Video Screens	<input type="checkbox"/>	
10 metre headlead for DLED7 Neo	<input type="checkbox"/>	
1 Dedolight DLH400 400/575w HMI spot and flood light (mains only) - Suitable for creating sun through 1st floor	<input type="checkbox"/>	
1 Dedolight DLH200 200w HMI spot and flood light (mains only)	<input type="checkbox"/>	
1 Dedolight DLED7 Turbo Bi Colour spot and flood light (Mains or battery)	<input type="checkbox"/>	
3 Dedolight DLED4 40w Bi Colour spot and flood lights (Mains or battery)	<input type="checkbox"/>	
2 Dedolight 1x1 LED Felloni Bi Colour panel lights (Mains or battery)	<input type="checkbox"/>	
Dedolight DP400 imager wth framing shutter for DLH400	<input type="checkbox"/>	
Dedolight DP400 transparency projector adapter with cooling fan	<input type="checkbox"/>	
Dedolight DP400 Gobo holder unit	<input type="checkbox"/>	
Dedolight 60mm lens (wide angle) for Dp1.1 or DP2.1	<input type="checkbox"/>	
Dedolight Imager DP1.1 - 85mm lens	<input type="checkbox"/>	
Dedolight Imager DP2.1 framing Shutters 85mm x2	<input type="checkbox"/>	
Dedolight Gobos - various	<input type="checkbox"/>	
Dedolight DPEYE filter kit	<input type="checkbox"/>	
Dedolight clamp x2	<input type="checkbox"/>	
Dedolight softbox DLED4/7/200 with grid	<input type="checkbox"/>	
Dedolight Felloni softbox with grid	<input type="checkbox"/>	
Dedolight Iris for DP400 - 18 blades	<input type="checkbox"/>	
Dedolight Iris for DP1.1	<input type="checkbox"/>	
Dedolight Circular Polarisers x2	<input type="checkbox"/>	
Dedolight scrim kit for all DLED4, 7, 200	<input type="checkbox"/>	
Dedolight wide beam adapter (200HMI, DLED7 and DLED4 and DLED Neo)	<input type="checkbox"/>	
Dedolight to Prolycht adapter to use DP 400	<input type="checkbox"/>	

Tungsten

6x 5K tungsten fresnel arri	<input type="checkbox"/>	
20*2K tungsten fresnel arri and desisti	<input type="checkbox"/>	
30x 1K tungsten fresnel	<input type="checkbox"/>	
4 x2.5' Ball lantern lock 500wats-1K	<input type="checkbox"/>	

Dedolight and Lightbridge CRLS Lightstream cinematic reflector system

CRLS 100-100 - 1 metre square reflector 1 and 2, 3 and 4 the full monty	<input type="checkbox"/>	
7x10 reflectors 1-4	<input type="checkbox"/>	
15x15 reflectors 1-4	<input type="checkbox"/>	
25x25 reflectors 1x2, 2, 3 and 4, 0 and 5 specials	<input type="checkbox"/>	
50x50 reflectors 1-4	<input type="checkbox"/>	
20x20 Efect Kit - Silver, Gold and Blue	<input type="checkbox"/>	
45x45 Efect Kit - large, gold, silver, small mirror gold and silver	<input type="checkbox"/>	
3 Parallel Beam Adaptors 230% increase and 300% increase in light. For HMI 575 - 500% increase	<input type="checkbox"/>	
3 Honeycomb grids for PB - recommended	<input type="checkbox"/>	
Parallel Beam adaptor DPBA-14-B for Prolycht heads	<input type="checkbox"/>	
Dedolight Efect filter kit	<input type="checkbox"/>	
Mounts and adaptors x8	<input type="checkbox"/>	
Two remotely controlled motors - 10m range, battery or mains powered for Reflectors or Efect ideal for use	<input type="checkbox"/>	

Interesting useful lighting options

4x1.5-metre Nanlite Pavotube II30X with barn doors and egg-crate honeycombs (RGB)	<input type="checkbox"/>	
---	--------------------------	--

Astera

Astera Helios Tubes x2	<input type="checkbox"/>	
Astera Art 7 Wifi control box	<input type="checkbox"/>	
DOP Choice 40 degree grid for Titan Tube x2	<input type="checkbox"/>	
DOP Choice 40 degree grid for Helios Tube x2	<input type="checkbox"/>	
Honeycrates grid for Helios tube x2	<input type="checkbox"/>	
Ipad Pro for wireless control	<input type="checkbox"/>	
8x Astera NYX 10W LED RGBW Bulbs, 4 bayonet, 4 screw - CRMX controlled	<input type="checkbox"/>	

Isaac more extensive Kit List

2x Astera Pixel Brick - RGBW, CRMX controlled	<input type="checkbox"/>	
4x Astera Hydrapanel RGBW, CRMX controlled bricks	<input type="checkbox"/>	
Caligri 100 Air Tube - takes one Titan or two Helios Tubes - creates soft light	<input type="checkbox"/>	
DMG Dot with mounting kit for Astera Hydrapanel for catchlights	<input type="checkbox"/>	
Hex shaped anti roll for tubes	<input type="checkbox"/>	
Litepanels		
1 Lite Panels Lykos Bi Colour (Mains or battery) can be remotely controlled	<input type="checkbox"/>	
Amaran		
F22c is a 2'x2' lightweight flexible LED mat with a grid and softs (RGB)	<input type="checkbox"/>	
Falcon Eyes		
RX 818 flexible roll RGB panel 2x1 with softbox (waterproof) lightweight can be battery powered (V mount) with grid	<input type="checkbox"/>	
Intellytech		
Intellytech Mega LiteCloth - bi colour 3ft by 4.5ft lightweight 300w unit suitable for booming, or big source	<input type="checkbox"/>	
Small RGBW Fixtures		
2x Aputure MT 12 inch tubes with CRMX	<input type="checkbox"/>	
4x Aputure MC	<input type="checkbox"/>	
Converter from lamp screw to Eddison screw	<input type="checkbox"/>	
Converter from lamp screw to Eddison screw	<input type="checkbox"/>	
Small Rig Mini LED kit, daylight, with grids, snoots etc	<input type="checkbox"/>	
Batteries and power		
Instagrid Power unit 2.1kwh - effectively a portable 13 amp plug - weathersealed portable at 20kg	<input type="checkbox"/>	
V Mount lighting batteries - 90 to 150 wh	<input type="checkbox"/>	
V Mount FX Lion kit with 4 batteries 95 wh and 4 gang charger	<input type="checkbox"/>	
Sony NP Batteries	<input type="checkbox"/>	
Kinoflo Block batteries	<input type="checkbox"/>	
Kinoflo Battery charger	<input type="checkbox"/>	
Profoto B1 batteries x 6	<input type="checkbox"/>	
Profoto B2 batteries x2	<input type="checkbox"/>	
V mount battery plate with 15mm, plus Dtap	<input type="checkbox"/>	
V mount double battery to V mount adapter	<input type="checkbox"/>	
V mount to Sony NPF adapter - allows V mount to run on NPF mount	<input type="checkbox"/>	
Measurement & Specialist kit		
Sekonic L858 D light meter with spot metering for Cinema	<input type="checkbox"/>	
Sekonic L748 D light meter	<input type="checkbox"/>	
Sekonic C-800 colour meter	<input type="checkbox"/>	
Digital Anemometer air flow meter	<input type="checkbox"/>	
Faderlux variable ND gaffers polarised viewing glass	<input type="checkbox"/>	
Vaxis, Teradek, Hollyland channel scanner	<input type="checkbox"/>	
Laser pen for reflection analysis	<input type="checkbox"/>	
VSGO Portable Palm Turbo Air Duster	<input type="checkbox"/>	
Voltage power tester cat IV - leads, sockets etc	<input type="checkbox"/>	
Grip and support		
Kupo 3 section wind up stand	<input type="checkbox"/>	
Manfrotto Mega Boom with Saddlebag	<input type="checkbox"/>	
Kupo stand extension	<input type="checkbox"/>	
30 x Cstand with arm including lazy leg options and turtles	<input type="checkbox"/>	
2x Kupo master cine k stand - with boom to 9ft	<input type="checkbox"/>	
2x Kupo Low mighty stand	<input type="checkbox"/>	
2x Muraro Low boy with junior pin	<input type="checkbox"/>	
2x Kupo Combo stands HD	<input type="checkbox"/>	
Kupo baby boom steel	<input type="checkbox"/>	
4x 4.5 inch grip head - junior	<input type="checkbox"/>	
Junior to 5/8th adaptor plug	<input type="checkbox"/>	
Junior offset arms - x4	<input type="checkbox"/>	
C stands 40 inch x6	<input type="checkbox"/>	
Matthews C stand 20 inch x3	<input type="checkbox"/>	
Arri baby boom arm	<input type="checkbox"/>	
4 Manfrotto 1004 BAC stands	<input type="checkbox"/>	

Isaac more extensive Kit List

3 Dedolight mini stands	<input type="checkbox"/>
4 Bowens light stands	<input type="checkbox"/>
2 adjustable background cross bar for goal post or background	<input type="checkbox"/>
2 wheeled heavy duty floor stands - for lights or slider	<input type="checkbox"/>
Car Mounts x2 80kg loading - for lightweight cameras needs additional grip like Magic Arms	<input type="checkbox"/>
Manfrotto suction cup with small arm	<input type="checkbox"/>
4 Scissor clips for suspended ceilings	<input type="checkbox"/>
6 Polecats/Autopoles, 1.5m, 4.5m and up to 3.6m	<input type="checkbox"/>
